

**I Will Follow
Living Stones**

Starter:

Share an item/belonging in your life that reminds you of a significant story or experience. What does that item motivate you to do in your life?

Deeper:

Read Joshua 4:1-10. What command did God give to Joshua? What was the significance of the stones removed from the Jordan?

Read Isaiah 28:16. Who is Isaiah prophesying about through the term 'precious cornerstone'? What is promised to those who place their trust in Him?

Read Ephesians 2:19-22. What is the result of someone who is 'in Christ'? Where does the one true God dwell in this world?

Read 1 Peter 2:9. What is the responsibility of 'a people belonging to God'?

How is God best characterized to our world today? (John 3:16-17; 1 Jn. 4:19-21)

Application:

Identify relationships in your life in which you have not fairly represented the love of God, reconnect with one of these people in an effort to portray the love and life of Jesus.

As a LIFEgroup, pray and commit to participate in an activity of love that will connect the world with an example of God's love through his people.

Split into men and women groups and pray together for the ability and desire to be living stones in your world.
