**Biblical Marriage**

*(Eph. 1 & 5; Gen 1 & 2; Rom 1; 1 Cor. 6; Col 4, 1 Peter 3)*

**Starter:**

Why is civic participation important for the Christian today?

If married, describe how you met your spouse. If not married, share how your parents met.

**Deeper:**

Read Ephesians 5:22-31. What are the roles described for the husband and wife within a biblical marriage?

What are the challenges faced in fulfilling these roles?

What difficulties do we face when abdicate these roles.

What does grace and unconditional love in a biblical marriage look like?

How have you seen Satan attack your marriage or if unmarried other relationships?

**Application:**

Vote on November 4<sup>th</sup>!

Take time to pray as a group that the husbands and wives in your LIFEgroup would strive to understand and live out their role within the marriage and its significance to the Kingdom of God. What in your marriage needs to change to reflect this picture of biblical marriage?

How can your LIFEgroup help you with any necessary change? Remember, your spouse is not the enemy (Ephesians 6:12)
